

# WALKING SCHOOL BUSES

We have four buses.

- Albert Road
- Calliope Road
- Victoria Road
- Cheltenham

Not only do the buses provide a healthy alternative to driving, it means less congestion and safer roads for all. Parents also report that they enjoy the opportunity to get to know other parents.

*"Walking to school gives you time to talk to your friends."*

*"We walk so Mum can look after the baby."*

*"We are getting strong muscles."*

*"It keeps you healthy and means less traffic"*

One day Maxx the Pukeko came to school to say "Thank you" for walking to school.
